

EuroCartridge.eu SPAIN

Dear Customer,

Our sample 'check out page' below comes up when you have chosen to pay by credit card.

If your card was issued in the UK you will HAVE TO chose 'Reino Unido' in the 'Pais' (country) drop down menu.

'Reino Unido' means the UK. (But you knew that already of course)

The check out page will now change to the English language and we don't think that any explanation is necessary.

However, if your card was issued in Spain you will HAVE TO chose 'España' and then the following text, as in our sample below, will appear.
